L'azienda The firm L'entreprise

Gensini Srl è un' azienda fortemente orientata all'innovazione ed allo stesso tempo vanta una solida esperienza che affonda le proprie radici dalla fine degli anni '60 all'avvento nel mondo delle materie plastiche. Attenti ad anticipare le richieste del mercato combinando accuratamente marketing ed intuito imprenditoriale, unendo alle capacità produttive le tecniche di costruzione stampi, di cui l'azienda fin dalle sue origini, anno 1950, è una fra le più rappresentative nel mercato internazionale, Gensini Srl è un punto di riferimento preciso nel settore degli articoli in materia plastica di uso quotidiano. L'utilizzo di materie di qualità superiore e di tecniche di trasformazione all'avanguardia nel settore, permettono la creazione di prodotti che offrono praticità d'uso, estetica ed economicità rispettando allo stesso tempo l'ambiente e quindi il benessere dell'uomo. La continua ricerca nell'innovazione dei prodotti attraverso la creatività con un alto contenuto di qualità e funzionalità sono e saranno l'obiettivo per la soddisfazione delle esigenze del cliente, pur al mutare di mode, esigenze ed aspirazioni.

Gensini Srl is a company, well oriented towards innovation while at the same time boasting a sound experience that dates back to the advent of the world of plastic materials at the end of the sixties. With their knack of anticipating market demands and their careful combination of marketing know-how and entrepreneurial intuition, they unite their productive skills with mould construction techniques, for which the company, since its origins 1950, is one of the most representative companies in this field on an international level. Gensini Srl is an outstanding reference point in the sector of items in plastic materials for everyday use. The use of superior quality materials and high tech transformation techniques allows for creating products that ensure ease of use, and offer aesthetic and economic advantages, while at the same time being environment-friendly and thus guaranteeing man's wellbeing. The ongoing research into the innovation of products via creativity with top-of-the-range quality and functionality is, and will always be, the main goal aimed at meeting the customer's needs, regardless of the changing styles, requirements and aspirations.

Gensini Srl est une entreprise fortement orientée vers l'innovation. Elle se vante, en même temps, d'avoir une expérience solide qui plonge ses racines dans la fin des années 60, lors de l'avènement des plastiques. Elle cherche à anticiper les demandes du marché en combinant soigneusement le marketing avec l'intuition d'entrepreneur, en combinant les capacités de production avec les techniques de construction de moules, dont l'entreprise depuis ses origines 1950, est l'une parmi les plus représentatives dans le marché international. Gensini Srl est un point de repère précis dans le secteur des articles en matière plastique qu'on utilise habituellement jour après jour. L'utilisation de matières de qualité supérieure et de techniques de transformation d'avant-garde dans le secteur, permet la création de produits qui garantissent un emploi pratique, économique aussi bien qu'une qualité esthétique qui respectent en même temps l'environnement et, donc, le bien-être de l'homme. La recherche continue en ce qui concerne l'innovation des produits à travers une créativité au service d'une qualité et d'un niveau fonctionnel élevés, représentent aujourd'hui, comme à l'avenir, notre objectif: satisfaire les exigences du client, au delà des transformations liées aux modes, aux exigences, aux aspirations.
